

4C RANCH

DIRECTIONS: The Clay 4C Ranch is easy to find and just an hour from Fort Worth. Just travel west out of Fort Worth on I-20 for about 45 miles and take Exit 386, which is Highway 281, south towards Stephenville. From I-20 you will travel 17 miles to Morgan Mill. Turn right between the store and the post office (watch carefully!) which will put you on County Road 163. Just go 1.5 miles 'til you see the gate on the left for 4C Ranch. Come on in!
